building disaster resilience

**Every month
we're sharing 2
outcomes we're
aiming to achieve
in 2020.**

Why?

**We cannot build a
disaster resilient
future alone.**

**We need you 2
build it 2.**

Jan 2do #1

**Spend 30 minutes
with 6 CEOs to
talk why & how
we need to start
doing disasters
differently.**

Jan 2do #2

**Speak at 2 events
that are not
typical emergency
management
forums.**

How can you help?

**Nominate your
CEO**

and/or

**Recommend an
event we should
speak at.**

Thank you.
