building disaster resilience

**Every month  
we're sharing 2  
outcomes we're  
aiming to achieve  
in 2020.**

**Why?**

**We cannot build a  
disaster resilient  
future alone.**

**We need you 2  
build it 2.**

# April 2do #1

**Stay connected  
as we self-isolate.**

# April 2do #2

**Focus on now, and  
think about next.**

# How can you help?

**Reach out if you  
need to us or  
others  
and/or  
plan for the new  
normal.**

# Thank you.
